SECTION 4—BOUNDARY AGREEMENT-RULES FOR POTENTIAL ANNEXATION OF LAND IN THE TOWN OF ONALASKA AND THE PROVISION OF MUNICIPAL SERVICES TO SUCH LANDS

During the Term of this Agreement:

4.1 The Village and City may annex land within those areas defined as the “Central Corridor” on the map attached hereto and incorporated herein as Exhibit 3, in any legally permitted manner of annexation under the laws of the State of Wisconsin. Where the boundary of the Central Corridor appears to follow public roads, the Village or City may annex the affected segments of such road rights-of-way as part of an annexation to annex adjacent real estate. The Town will not oppose directly or indirectly any annexations within the Central Corridor, where consistent with this Agreement.

4.2 Notwithstanding Section 4.1 above, Annexations within those areas defined on Exhibit 3 as “Sensitive Areas,” including annexation of the public rights-of-way, shall only be made by unanimous consent petitions.

4.3 Prior to any portion of Exhibit 3 “Area B” (area with blue shading) being annexed, at least 65 percent of the land located south of Halfway Creek (area with pink shading) generally to the southwest of Area B must be “Developed,” which term is defined as included within a recorded subdivision plat or certified survey map and occupied by a principal land use such as residences or businesses.

4.4 The Sun Valley subdivision, as delineated in Exhibit 3, is excluded from the Central Corridor. The Sun Valley subdivision may become a Town Island as outlined in Section 6 of this Agreement.

4.5 During the Term of this Agreement, the Village and the City shall not annex from the Town any areas East and West of the Central Corridor identified in Exhibit 3, or any lands within the Sun Valley subdivision, without the consent of the Town Board.

4.6 Notwithstanding Section 4.1 above, annexations to any portion of Exhibit 3 “Area A” (area with green outline) shall be by unanimous consent petition(s) only.

4.7 In the event the City and/or the Village annex any lands within the Central Corridor or the Expanded Central Corridor pursuant to the terms of this Agreement, then the following provisions shall apply with respect to any lands located within the area subject to the annexation which are owned at the effective time of such annexation by a “light, heat and power company” (the “Electric Company”) as defined in Section 76.26(1)(e), Wis. Stats. During the five calendar year period of time following the date of such annexation, any “revenue”

received by the annexing municipality from the Electric Company shall be paid to the Town within sixty (60) days following receipt thereof. The term "revenue" means all revenues, exclusive of local property taxes levied pursuant to Chapter 70 of the Wisconsin Statutes, paid by the Electric Company to the annexing municipality because of the land and facilities of such Company being located within such municipality. Revenues also include any share of utility taxes or fees paid by the State of Wisconsin pursuant to Chapter 76 of the Wisconsin Statutes, to the annexing municipality in lieu of local taxation of the Electric Company, as provided for in Section 76.20(9), Wis. Stats.

SECTION 5—UTILITIES

5.1 The Parties agree that utility privileges will be mutually allowed between all Parties and all Parties may place utilities as provided for under Wis. Stat. § 66.0425 Privileges in Streets, except that no Party under this Agreement shall be required to file a bond under Wis. Stat. § 66.0525(2).

5.2 All Parties waive the necessity to make a request to the other for granting of street privileges but each party shall provide written notice to the jurisdictional Party before actual street excavation occurs and plans and specifications for any proposed street privileges shall be submitted at least sixty (60) days in advance to the municipality who has jurisdiction of the subject street.

5.3 No consent to any utility placement within such streets shall be unreasonably withheld.

SECTION 6—TOWN ISLANDS

The City, Village and Town agree that town islands may be created as a result of annexations authorized under this Agreement within the Central Corridor, with such town islands possible only within the areas listed below and delineated on Exhibits 4 through 10:

6.1 One or more properties within the Sensitive Areas and Sun Valley subdivision identified in Exhibit 3.

6.2 In association with permitted annexations into the City, one or more properties in any of the following areas:

- (a) Along Superior Street west of County Road S (Lost Lake Addition subdivision), plus the strip of land in the Town that connects this area to U.S. Highway 53 (outlined in red on Exhibit 4).
- (b) North Green Coulee area, near the north ends of Green Coulee Road and Green Coulee Lane (outlined in red on Exhibit 5).
- (c) Along and near State Trunk Highway 35, south of the southern Sensitive Area on Exhibit 3 (outlined in red on Exhibit 6).

6.3 In association with permitted annexations into the Village, one or more properties in any of the following areas, as specifically delineated in red in Exhibits 7 through 10:

- (a) Lands between the Cedar Meadows and Sandy Knolls subdivisions, west of Sand Lake Road (outlined in red on Exhibit 7).
- (b) Walden Acres Addition subdivision and adjacent subdivided lands (outlined in red on Exhibit 8), but only if the entirety of the lands in the Town located between this area, State Trunk Highway 35, U.S. Highway 53, and the 53/35 interchange are subject to a petition for annexation by unanimous consent.
- (c) Christian Farms Nursery area along Sand Lake Road near Grant Street, plus the strip of land in the Town that connects this area to U.S. Highway 53 (outlined in red on Exhibit 9).
- (d) Cole Court lots (outlined in red on Exhibit 10).

6.4 The creation of Town Islands in any other areas beyond those identified above and in Exhibits 4 through 10 shall be subject to applicable Wisconsin laws.

SECTION 7—INCORPORATION

7.1 During the term of this Agreement, the Town will not support an effort to incorporate any area of the Town located east of the western boundary of the Central Corridor, except for the Sensitive Areas.

7.2 The Town may only support a petition to incorporate west of the Central Corridor and in the Sensitive Areas if, prior to the filing of a Petition for Incorporation, the Town first holds an advisory referendum for that portion of the Town proposed to be incorporated and at least 65 percent of the electors in the area proposed to be incorporated and voting in the referendum approve of the Petition for Incorporation.

7.3 If the results of the Advisory Referendum reflect that less than 65 percent of the voting electors in the area proposed to be incorporated support the Petition, then the Town shall not support, finance or support the filing of a Petition for Incorporation.

7.4 The Town shall provide written notice to the City and Village upon passage of the resolution to hold an advisory referendum. If the results of Advisory Referendum reflect that more than 65 percent of such electors in the area proposed to be incorporated approve of the Petition for Incorporation, then the Central Corridor for all purposes of this Agreement shall be expanded to include those properties within the area on Exhibit 3 that is shaded in green and referred to as the "Expanded Central Corridor."

SECTION 8—SEVERABILITY

If any section, paragraphs, or portion of the Agreement is deemed by any court having lawful jurisdiction of the subject matter of the Agreement to be void, voidable, or invalid for any

reason, this Agreement shall be otherwise valid and enforceable as if the void, voidable, or invalid section, paragraph, or portion of the Agreement had not been part of the Agreement.

SECTION 9—REFERENCES

9.1 Any references in this Agreement to any particular agency, organization or officials shall be interpreted as applying to any successor agency, organization or official or to any other agency, organization or official to which contemplated functions are transferred by statute or ordinance.
