2023 Town of Onalaska Large Item & Yard Waste Disposal

NEW INFORMATION! PLEASE READ AND SAVE.

Burn Permits
If it is your desire to openly burn on your property, you must obtain a burn permit. ONLY clean untreated or raw wood is permissible to burn. It is illegal to burn trash, grass or leaves. If you are open burning please be considerate of your neighbors. If smoke from your fire is bothering your neighbor and is reported to the fire department your fire will be extinguished, even if you have a permit.

• Fire district boundaries changed as of January 1, 2023. All of the Town of Onalaska will be serviced by the City of Onalaska Fire Department. See the Winter 2022 Town Talk Newsletter for more information.

• Residents must contact the Town of Onalaska Town Hall, Clerk’s Office for information to obtain your burn permit. Office hours are Monday through Thursday 8:00 am to 1:30 pm, Friday 8:00 to Noon. Phone 608-783-6958.

Trash and Recycling Guidelines
Residents utilizing Town garbage services are required to use the carts provided to you by the Town for trash collection and recycling. These will be the ONLY containers that are picked up. If you have trash that does not fit into your cart, see “Additional Trash” below. Carts are warranted by the manufacturer. If you lose a wheel, the lid comes off, or other “normal” repair, the cart will be repaired or exchanged by Hilltopper (608-783-6272). There is no cost to the resident for these types of repairs. If you are negligent and the carts are damaged you will be responsible for the replacement costs. Carts are the property of the Town of Onalaska. If you move, carts are to be left at the residence for the subsequent owner.

DO NOT mark or spray paint your carts! A luggage tag or tie may be placed on the cart to mark your address as desired.

Trash pick-up is weekly according to color-coded areas on the map at the right and on the calendar. Trash is taken to the Xcel Energy Derived Fuel Plant on French Island and converted to electricity.

Recycling collection takes place every other week on the same day of the week as your refuse collection. Please locate your home on the map to the right. If you are in the shaded area on the map, your recycling pick-up will be the shaded week on the calendar. Please note trash and recyclables are picked up by separate trucks and may be several hours between pick-ups.

Place carts at least 3 feet away from obstacles including but not limited to: other carts, mailboxes, power poles, etc. Place carts within 2 feet of surfaced edge of the road, but not on the road (even in winter) with the wheels facing away from the road. Carts MUST be set out by 5 am on collection day or the night before.

Do not put grass, leaves, brush, recyclables, electronics, computer components, hazardous, demolition, construction or commercial materials in the carts. See chart on page 3 for more information.

For complete listing of items visit www.hilltopperrefuse.com or call 608-783-6727.

LIDS MUST CLOSE ON BOTH TRASH AND RECYCLE CARTS, IF LIDS DON’T CLOSE TRASH WILL NOT BE PICKED UP. SEE BELOW FOR ADDITIONAL TRASH

if you have additional trash you may save it for the next weekly pickup or make other arrangements for disposal. Options for additional trash include:

1. Purchase tags from Hilltopper (608-783-6727) to place on extra bag weighing no more than 50 lbs. Cost for the tags is $15 for 5 tags. Each additional bag must have its own tag. This option is best for the occasional overage following an event.

2. If you consistently have garbage overages you may rent an additional cart from Hilltopper (608-783-6727). There is an annual fee for the additional cart. You will contract directly with Hilltopper for the additional cart.

3. Hauling it yourself to the La Crosse County Landfill, Hilltopper, or other contractor of your choice. Fees will apply.

Leaves, Grass, and Garden Waste
You may bring leaves, grass clippings and garden waste to the disposal site at 608-782-2082. Dirt, rock, concrete and other debris will not be accepted. Please enter during the hours of operation only. Residency will be verified upon entry to the drop yard. Site will be open Tues 11:30 AM to 3:30 PM, Thursday 3:30 PM to 7:30 PM, and Saturday 8 AM to 4:30 PM March to November weather permitting. No Thursday hours October and November.

Small Twigs: Twigs shorter than 24 inches in length and smaller than ¼ inch diameter should be disposed of with your grass and leaves. NO BRUSH ACCEPTED. This area is for your convenience. Please do not abuse it by leaving bags, household trash, white goods, building/demolition material, or other unacceptable materials. PAID volunteers are needed for 2023.

Brush Chipping (Curb Side Only)
All brush will be chipped curb side March through November scheduled to coincide with your color coded area. Please refer to the calendar on page 3; the color of the triangle denotes the area brush will be chipped for that week. Brush is to be placed curb side before 6 am on Monday of your chipping week.

DO NOT APPROACH WORKERS AT STREET SIDE.

Location and Size: Pile must be neatly stacked on YOUR lawn with cut ends toward the street. Piles may be 3 feet tall by 6 feet wide, with individual branches no larger than 6 inches diameter or larger than 8 feet. Do NOT bundle with twine or string.

Non-compliant piles WILL NOT be picked up. LIMIT ONE PILE PER HOUSEHOLD PER MONTH.

Small Twigs: Twigs shorter than 24 inches in length and smaller than ¼ inch diameter should be disposed of with yard waste (see Leaves, Grass and Garden Waste).

Preparation: Be sure branches are free of metal, wire, rope, tinsel, plastic, stones, or other debris that could damage the chipper.

Unacceptable Materials: Quantity of brush larger than shown above WILL NOT be picked up; you may call a Tree Service or take it to the La Crosse County Land Fill. Town brush service is NOT for tree removal, clearing wooded areas around a home, or clearing a building site. NO BRUSH will be accepted at the Yard Waste Site. Brush is to be placed curb side before 6 am on Monday of your chipping week.

Christmas Trees
Christmas trees with all decorations removed may dropped off at the Town Shop the week of January 9-13, during regular shop hours. (Mon. thru Fri. 7:30am-3:30pm.) Christmas trees may also be cut to acceptable size and placed curb side for March chipping. Please do not place street side prior to March.

Wood Chips Available To Town Residents
Town residents may pick up wood chips at the Yard Waste site during site hours at no cost when chips are available. (Staff is not able to load, please bring your shovels.) If you wish to have chips delivered, cost is $25 per load, and will be delivered when available at town schedule allows. A list of residents requesting delivery will be started and filled on a first come, first serve basis. Please call the Town Hall 608-783-4958 to arrange delivery and payment.

Large Item, Good, Demolition, Hazardous Waste
The Town does not operate a large item drop off facility nor does the Town accept white goods. Residents must contract at their expense for large item and white goods disposal. Options for large items and white goods are as follows: Fees will apply. Additional information on white goods recycling is on the cover of this brochure. Please verify with the contractor of your choice the information specific to your items.

Hilltopper Refuse and Recycling, Inc, has citizen drop off at W6833 Industrial Blvd, Onalaska 608-783-6272 and offers curb-side service of large items. The per-item fee must be prepaid to Hilltopper prior to collection. 608-783-6727.

1st & 3rd Saturdays (April – October only) 9:00 a.m. – Noon

Businesses and organizations by appointment only

Out-of-County residents are welcome to use the program on a fee basis.

FREE PRODUCT REUSE ROOM!
Over 80,000 pounds of usable household products are sorted and made available to the public in our Reuse Room annually. All items are free, but donations are appreciated. The Reuse Room is open Monday – Friday from 8 AM to 4 PM. The Reuse Room is located on the east side of the landfill office building, directly adjacent to the HHM Facility.

Safe Transportation of Hazardous Materials
1. Never mix chemicals.
2. Bring items in original containers or clearly mark contents. Tell facility technician if you are unsure what is in a container.
3. Tighten all covers and lids.
4. If a container is leaking, pack it separately in a leak-proof pail or tub.
5. Avoid spills. Place waste containers upright and place securely in the trunk or back of a truck or van. Do not transport waste containers in vehicle passenger areas.
6. Gasoline should be transported in a designated red safety container.
7. Motor oil should be transported in a durable and leak-proof container labeled with the words “Used Oil.”
8. Tape the terminal ends of batteries with clear tape to prevent arcing. Do not co-mingle batteries with chemicals.
9. Transport fluorescent bulbs securely to avoid breakage. Do not tape bulbs together.
10. Upon arrival, pull under the HHM canopy and remain in your vehicle with the engine shut off.

Sharps & Needles
• Needles, syringes, auto-injectors (EpiPens) and lancets must be transported in sealed, puncture-resistant containers.
• Container options include a standard red sharps container or a thick plastic laundry detergent bottle with screw on cap. All containers must be labeled with the word “SHARPS.”
• Additional sharps collection sites can be found on the Alliance to HEAL website.
• For after-hours service, a red sharps drop box is located on Berlin Drive at the La Crosse County Solid Waste Department entrance. This drop box accepts single-use needles as well as small sharps containers. (see map above)

Use By Businesses & Organizations

The La Crosse County HHM Program is available to assist small businesses and organizations with their hazardous material disposal needs. We also offer complimentary audits to help with identifying these waste streams. For more information, call us at (608) 785-9999 or visit our website to download a PQSC qualification packet.
