Re: Apple Valley Subdivision Drainage Project
GEC Project #2-0122-44F

Dear Property Owner,

The purpose of this letter is provide information on the proposed drainage project within Apple Valley Subdivision in the Town of Onalaska, La Crosse County, Wisconsin.

On March 16, 2023 we held a Public Workshop meeting to give the residents of Apple Valley an opportunity to voice their opinions about the project. At that meeting, the residents in attendance requested a second meeting where we will present updated plans based on the feedback we received on and since that first meeting.

To continue the conversation, we have scheduled a second **Public Workshop meeting at the Town of Onalaska Town Hall on Monday, March 27, 2023 at 7pm.**

All questions and/or concerns about the Apple Valley Subdivision Drainage Project should be directed to the following email address: AppleValley@generalengineering.net.

Yours truly,
