Onalaska, WI 54650

Re: Eric Ave Neighborhood Stormwater Improvement Project  
GEC Project #2-0119-44E

Dear Property Owner,

As you might be aware, in July of 2022, the La Crosse County Board voted to approve the Stormwater Infrastructure Grant Program which is being funded by the County's American Rescue Plan Act (ARPA) allocation. During the first round of applications, the Town of Onalaska submitted two applications for subdivision wide projects. Both projects were approved for funding and are in the final stages of design and ready for construction.

The County has decided to have a second round of applications, due April 17, 2023. The Town of Onalaska would like to submit an application for funding for the construction of the next phases of the Eric Ave Stormwater Improvement project.

We have scheduled a **Public Workshop meeting at the Town of Onalaska Town Hall on March 23, 2023 at 7pm**. The purpose of this meeting is to discuss the project with the affected residents and give residents, such as yourself, an opportunity to provide feedback.

All questions and/or concerns about the Eric Avenue Neighborhood Stormwater Improvement Project should be directed to the following email address: [Ericave@generalengineering.net](mailto:Ericave@generalengineering.net).

Yours truly,

**GENERAL ENGINEERING COMPANY**
